Inclusion Weekly: Whole School Engagement

Accompanying video presented by Special Olympics Unified Champion Schools®

THINK FIRST

Think about types of school-wide activities (i.e. pep rallies) that your school has done in the past. What did you notice?

SMALL GROUP DISCUSSION QUESTIONS

(Or fill out on your own)

In your own words, how would you describe whole school engagement?

What are some examples of whole school engagement opportunities that were shown in the video?

REFLECTION QUESTIONS

In the video, Carson says, "Inclusion is so much more than just involving people." What are some ways that you would go above and beyond for meaningful inclusion?

A STEP FURTHER

Think back to the first question on this sheet, about your school's last school-wide activity. What more could your school have done to make this an inclusive opportunity?
